

30 April 1969

Mr. Bannerman:

Sally needled me on a couple  
of items on which Colonel White wants  
to meet with you:

ILLEGIB

Employee Review Boards --he  
wants to see you and Wattles. (The papers  
are on your desk.) -

Alcoholism --you and Tietjen (papers  
on your desk).

I explained your busy schedule  
but told her I would call back very soon  
to arrange appointments.
